  - TypeScript

## **EDUCATION**

### **High School: Bhukulani Secondary – *Matric***

2006 – 2010, Johannesburg

I did my high school from 2006 to 2010, while I was also a tutor within and outside(private tutoring) the school. I was tutoring mathematics and physical sciences. My high school subjects were IsiXhosa, English, Geography, Life Science, Mathematics, Life Orientation and Physical Sciences.

## **AWARDS**

- Top 10 performing matriculant at Bhukulani and with top 100 in Soweto
- Top Student in Mathematics and 2nd in Physical Sciences ant Bhukulani Secondary

I went to the University Of Cape Town to pursue a BSc Mathematical Statistics and Computer Science, I was financially excluded on the 3rd year due to financial constraints.
